Learning Day

The key to having fun is being sure students are dressed warmly for recesses, outdoor Phys. Ed. classes, and riding buses. Please ensure as the winter approaches that students have boots, hats, and snow pants. As we all know, the weather can change quickly. If you are having trouble providing warm clothing, please reach out to us and we will put you in contact with agencies that can help out.

BOOK

On January 30th, VES students will be celebrating both our success in working toward our year end AR goals, and the beginning of the second half of our school year. We will be celebrating with a few literacy activities and a Book Bingo in which every student will be given a book.

Effective engagement in your school community!

Students will have fun dressing up as an archeologist, an astronomer, a biologist, a botanist, a chemist, a geologist, a meteorologist, oceanographer, a physicist, a zoologist, research scientist or even a mad scientist.

Maybe dress in a lab coat (robe) and safety goggles. Carry a clipboard or other science gear.
